As stated on registration page we will provide a RC boat with flags to run starts and do the finish.

To do this efficient and not have the same coaches move marks all the time we made a coaches schedule. See schedule underneath.

16/17 March we will ask the ILCA7 Coaches to assist

18/19 March we will ask the ILCA6 Coaches to assist

We trust that by splitting the tasks this way, all coaches can still focus 100% on coaching for at least 2 days out of this 4 days coach regatta.
